

College and Career Academies

Information Sessions
2018

CMCSS Vision

Each student graduates
from high school
college and career ready.

Clarksville–Montgomery County School System

College and Career Academies Defined

- School within a school
- Integrated college preparatory curriculum centered around a career theme
 - ✧ Problem Based Learning (PBL)
- Partnerships with employers, community members, and local colleges

Clarksville–Montgomery County School System

Identification of Career Themes

- 7th and 8th grade career interest surveys
- Regional and national job trend data
(10 year projections)

The Academies of CMCSS

Student Credit Hours

Students need 22 credits to graduate.

Traditional Student

7 classes per day x 4 years = 28 Credits

Student w/CMCSS Transportation

6 classes per day x 4 years = 24 Credits*

*Talk with your counselor about additional options that may be available to earn additional credits

Applying to a CMCSS Academy

- All academies are interest driven
- Applications available:
 - tonight
 - from middle school or high school counselor
 - from the CMCSS homepage (<http://www.cmcoss.net>)
- Applications due to middle school counselor or submit online by February 16, 2018

Applying to a CMCSS Academy

Please indicate the Academy you prefer to attend. You may indicate up to three choices by numbering your choices 1, 2, and 3. If an Academy offers more than one strand, please indicate your strand choice as well.
