INTRODUCTION

This Dental Evidence of Coverage (“Dental EOC”) is included in the Summary Plan Description document (SPD) created by the Employer (listed on the cover of this Dental EOC) as part of its employee welfare plan (the “Plan,”) and is subject to the requirements of the Employee Retirement Income Security Act of 1974, as amended (ERISA.) References in this Dental EOC to the “administrator” means BlueCross BlueShield of Tennessee, Inc., or BCBST. The Employer has entered into an Administrative Services Agreement (ASA) with BCBST for it to administer the claims Payments under the terms of the SPD, and to provide other services. BCBST does not assume any financial risk or obligation with respect to Plan claims. BCBST is not the Plan Sponsor, the Plan Administrator or the Plan Fiduciary, as those terms are defined in ERISA. The Employer is the Plan Fiduciary, the Plan Sponsor and the Plan Administrator. Other federal laws may also affect Your Coverage. To the extent applicable, the Plan complies with federal requirements.

This Dental EOC describes the terms and conditions of Your Coverage through the Plan. It replaces and supersedes any Certificate or other description of benefits You have previously received from the Plan.

PLEASE READ THIS DENTAL EOC CAREFULLY. IT DESCRIBES THE RIGHTS AND DUTIES OF MEMBERS. IT IS IMPORTANT TO READ THE ENTIRE DENTAL EOC. CERTAIN SERVICES ARE NOT COVERED BY THE PLAN. OTHER COVERED SERVICES ARE LIMITED. THE PLAN WILL NOT PAY FOR ANY SERVICE NOT SPECIFICALLY LISTED AS A COVERED SERVICE, EVEN IF A DENTAL CARE PROVIDER RECOMMENDS OR ORDERS THAT NON-COVERED SERVICE. (SEE ATTACHMENTS A-C.)

While the Employer has delegated discretionary authority to make any benefit or eligibility determinations to the administrator, the Employer retains the authority to make any final determination. The Employer, as the Plan Administrator, also has the authority to construe the terms of Your Coverage. The Plan shall be deemed to have properly exercised that authority unless it abuses its discretion when making such determinations, whether or not the Employer’s benefit plan is subject to ERISA.

ANY GRIEVANCE RELATED TO YOUR COVERAGE UNDER THIS DENTAL EOC SHALL BE RESOLVED IN ACCORDANCE WITH THE “GRIEVANCE PROCEDURE” SECTION OF THIS DENTAL EOC.

In order to make it easier to read and understand this Dental EOC, defined words are capitalized. Those

words are defined in the “DEFINITIONS” section of this Dental EOC.

Please contact one of the administrator’s customer service representatives, at the number listed on the Subscriber’s membership ID card, if You have any questions when reading this Dental EOC. The customer service representatives are also available to discuss any other matters related to Your Coverage from the Plan.

BENEFIT ADMINISTRATION ERROR

If the administrator makes an error in administering the benefits under this Dental EOC, the Plan may provide additional benefits or recover any overpayments from any person, insurance company, or plan. No such error may be used to demand more benefits than those otherwise due under this Dental EOC.

INDEPENDENT LICENSEE OF THE BLUECROSS BLUESHIELD ASSOCIATION

BCBST is an independent corporation operating under a license from the BlueCross BlueShield Association (the “Association.”) That license permits BCBST to use the Association’s service marks within its assigned geographical location. BCBST is not a joint venturer, agent or representative of the Association nor any other independent licensee of the Association.

NOTIFICATION OF CHANGE IN STATUS

Changes in Your status can affect the service under the Plan. To make sure the Plan works correctly, please notify the customer service department at the number listed on the Subscriber's membership ID card when a Member changes:

- Name;
- Address;
- Telephone number;
- Employment; or
- Status of any other dental or health coverage the Member has.

Subscribers must notify the Plan of any eligibility or status changes for themselves or Covered Dependents, including:

- The marriage or death of a family member;
- Divorce;
- Adoption;
- Termination of employment;
- Change in student status.

HOW THE DENTAL PROGRAM WORKS

Preferred Dental Care Coverage is designed to promote cost-effective care and provide a simple method for filing claims. Two important features include the network of participating Dentists (Network Dentists) and the Predetermination of Benefits program.

NETWORK DENTISTS

To reduce Your out-of-pocket expense, You should receive services from a Network Dentist.

When You have dental work performed by a Network Dentist, You simply present Your membership ID card. The Network Dentist will file the necessary paperwork. We will make payment directly to the Network Dentist.

A listing of Network Dentists is provided to Your Employer. There will be additions and deletions from time to time. Be sure to ask Your Dentist to confirm any change in his/her participation. You may also call Our customer service department, or You may check the most current directory information at Our website, www.bcbst.com. Click on Network Directories. You can go to the Dentist of Your choice, regardless of whether he/she is a Network Dentist. However, Your out-of-pocket expense is less when You use a Network Dentist.

PAYMENT FOR AN OUT-OF-NETWORK DENTIST

If You select a Dentist who is not participating in the Preferred Dental Care Plan (an Out-of-Network Dentist,) that Dentist can bill You for any amount not Covered by this Dental EOC.

In addition, if You select an Out-of-Network Dentist, You must file the claim yourself.

You are responsible for the difference between the Billed Charges and the Maximum Allowable Charge for a Covered Service if an Out-of-Network Dentist's Billed Charges are more than the Maximum Allowable Charge for such Services.

PREDETERMINATION OF BENEFITS

The Predetermination of Benefits program allows You and Your Dentist to know exactly what kinds of treatment are Covered.

To obtain a Predetermination of Benefits response, Your Dentist submits a claim form and checks the box "Dentist's Pre-Treatment Estimate" after Your initial examination and before treatment begins. You and Your Dentist are then notified what benefits are available, and what payments, if any, You must make.

ACCEPTED BARRIER TECHNIQUES AND PRECAUTIONS TO PROTECT DENTISTS, THEIR STAFF, AND THE PUBLIC FROM CONTRACTING OR SPREADING DISEASE ARE RECOMMENDED; HOWEVER, NEITHER THE PLAN SPONSOR NOR BLUECROSS BLUESHIELD OF TENNESSEE CAN CONFIRM THE HEALTH STATUS OF ANY DENTIST.

ELIGIBILITY

Any Employee of the Employer and his/her family dependents, who meet the eligibility requirements of this Section, will be eligible for Coverage if properly enrolled for Coverage, and upon payment of the required Payment for such Coverage. If there is any question about whether a person is eligible for Coverage, the Plan Administrator shall make final eligibility determinations.

1. Subscriber

To be eligible to enroll as a Subscriber, an Employee must:

- a. Be a permanent Employee regularly scheduled to work a minimum of 15 hours per week, or
- b. Be a Board Member who applied for coverage on or before July 1, 2001.
- c. Satisfy all eligibility requirements of the Plan; and
- d. Enroll for Coverage by (a) submitting a completed and signed Enrollment Form to the administrator, or (b) submitting a completed Enrollment Form electronically to the administrator or the Plan.

2. Covered Dependents

To be eligible to enroll as a Covered Dependent, a Member must be listed on the Enrollment Form completed by the Subscriber, meet all dependent eligibility criteria established by the Employer, and be:

- a. The Subscriber's current spouse as recognized by the state where the Subscriber lives; or
- b. The Subscriber's or the Subscriber's spouse's: (1) natural child; (2) legally adopted child (including children placed with You for the purpose of adoption); (3) step-child(ren); or (4) children for whom the Subscriber or the Subscriber's spouse is the legal guardian; who are less than 26 years old; or
- c. A child of Subscriber or Subscriber's spouse for whom a Qualified Medical Child Support Order has been issued; or
- d. An unmarried child of Subscriber or Subscriber's spouse, as defined above, who is, and continues to be, both (1) incapable of self-sustaining employment by reason of mental retardation or physical handicap; and (2) chiefly dependent upon the Subscriber for economic support and maintenance, provided proof of such incapacity and

dependency is furnished within 31 days of the child's attainment of the applicable Limiting Age and subsequently as may be required, but not more frequently than annually. In addition, such unmarried child must be a Dependent enrolled under this Plan or another plan (with no break in coverage, or no break greater than 63 days) prior to attaining the applicable Limiting Age.

The Plan's determination of eligibility under the terms of this provision shall be conclusive.

The Plan reserves the right to require proof of eligibility including, but not limited to, a certified copy of any Qualified Medical Child Support Order.

3. Coverage for Retirees

Subscribers who retire may continue coverage until age 65. Eligible dependents of the retired Subscriber may continue coverage until age 65 or until they are no longer an eligible dependent, whichever comes first.

ENROLLMENT

Eligible Employees may enroll for Coverage for themselves and their eligible dependents as set forth in this section. No person is eligible to re-enroll, if the Plan previously terminated his or her Coverage for cause.

1. Initial Enrollment Period

Eligible Employees may enroll for Coverage for themselves and their eligible dependents within the first 31 days after becoming eligible for Coverage. The Subscriber must: (1) include all requested information; (2) sign; and (3) submit an Enrollment Form to the administrator during that initial enrollment period.

2. Open Enrollment Period

Eligible Employees shall be entitled to apply for Coverage for themselves and eligible dependents during the Employer's Open Enrollment Period. The eligible Employee must: (1) include all requested information; (2) sign; and (3) submit an Enrollment Form to the administrator during that Open Enrollment Period. Employees who become eligible for Coverage other than during an Open Enrollment Period may apply for Coverage for themselves and eligible dependents within 31 days of becoming eligible for Coverage or during a subsequent Open Enrollment Period.

3. Adding Dependents

A Subscriber may add a dependent, who became eligible after the Subscriber enrolled, as follows:

- a. A newborn child of the Subscriber or the Subscriber's spouse is Covered from the moment of birth, and a legally adopted child, or a child for whom the Subscriber or the Subscriber's spouse has been appointed legal guardian by a court of competent jurisdiction, will be Covered from the moment the child is placed in the Subscriber's physical custody. The Subscriber must enroll that child within 31 days of the date that the Subscriber acquires the child.

If the Subscriber fails to do so, and an additional Payment is required to cover a newborn or newly acquired child, the Plan will not provide Coverage for that child after 31 days. If no additional Payment is required to provide Coverage to the child, the Subscriber's failure to enroll the child does not make the child ineligible for Coverage.

However, the Plan cannot add the newborn or newly acquired child to the Subscriber's

Coverage until notified. This may delay claims processing.

- b. If the legally adopted (or placed) child has coverage of his or her dental expenses from a public or private agency or entity, the Subscriber may not add the child until that coverage ends. Any other new dependent, (e.g., if the Subscriber marries) may be added as a Covered Dependent if the Subscriber completes and submits a signed Enrollment Form to the administrator within 31 days of the date that person first becomes eligible for Coverage.
- c. The Subscriber or the Subscriber's eligible dependent who did not apply for Coverage within 31 days of first becoming eligible for Coverage under this Plan may enroll if:
 - The Subscriber or the Subscriber's eligible dependent had other health care coverage at the time Coverage under this Plan was previously offered; and
 - The Subscriber stated, in writing, at that time Coverage under this Plan was previously offered, that such other coverage was the reason for declining Coverage under this Plan; and
 - such other coverage is exhausted (if the other coverage was continuation coverage under COBRA) or the other coverage was terminated because The Subscriber or the Subscriber's eligible dependent ceased to be eligible due to involuntary termination or Employer contributions for such coverage ended; and
 - The Subscriber or the Subscriber's eligible dependent applies for Coverage under this Plan and the administrator receives the change form within 31 days after the loss of the other coverage.

4. Late Enrollment

Employees or their dependents who do not enroll when becoming eligible for Coverage under (A), (B) or (C), above may be enrolled:

- a. During a subsequent Open Enrollment Period; or
- b. If the Employee acquires a new dependent, and he or she applies for Coverage within 31 days.

5. Enrollment upon Change in Status

If You have a change in status, You may be eligible to change Your Coverage other than during the Open Enrollment Period. Subscribers

must, within the time-frame set forth below, submit a change form to the Group representative to notify the Plan of any changes in status for themselves or for a Covered Dependent. Any change in the Employee's elections must be consistent with the change in status.

- a. You must request the change within 31 days of the change in status for the following events: (1) marriage or divorce; (2) death of the Employee's spouse or dependent; (3) change in dependency status; (4) Medicare eligibility; (5) coverage by another Payor.
- b. You must request the change within 60 days of the change in status for the following events: (1) loss of eligibility for Medicaid or CHIP coverage, or (2) becoming eligible to receive a subsidy for Medicaid or CHIP coverage.

EFFECTIVE DATE OF COVERAGE

If You are eligible, have enrolled and have paid or had the Payment for Coverage paid on Your behalf, Coverage under this Dental EOC shall become effective on the earliest of the following dates, subject to the Actively at Work Rule set out below:

1. Effective Date of ASA

Coverage shall be effective on the effective date of the ASA, if all eligibility requirements are met as of that date; or

2. Enrollment During an Open Enrollment Period

Coverage shall be effective on the first day of the month following the Open Enrollment Period, unless otherwise agreed to by Employer; or

3. Enrollment During an Initial Enrollment Period

Coverage shall be effective on the day of the month indicated on the Employee's Enrollment Form, following the administrator's receipt of the Employee's Enrollment Form; or

4. Newly Eligible Employees

Coverage shall be effective on the date of eligibility as specified in the ASA; or

5. Newly Eligible Dependents

- a. Dependents acquired as the result of Employee's marriage – Coverage will be effective the first day of the month following the date the administrator receives the completed Enrollment Form, unless otherwise agreed to by Employer and the administrator;
- b. Newborn children of the Employee or the Employee's Spouse - Coverage will be effective as of the date of birth;
- c. Dependents adopted or placed for adoption with Employee – Coverage will be effective as of the date of adoption or placement for adoption, whichever is first.

For Coverage to be effective, the dependent must be enrolled, and the administrator must receive any required payment for the Coverage, as set out in the "Enrollment" section; or

6. Eligibility For Extension of Benefits From a Prior Carrier

If the Plan replaces another group dental plan and a Member is Totally Disabled and eligible for an extension of Coverage from the prior group dental plan, Coverage shall not become

effective until the expiration of that extension of Coverage; or

7. Actively at Work Rule

If an eligible Employee is not Actively at Work on the date Coverage would otherwise become effective, Coverage for the Employee and his or her Covered Dependents will be deferred until the date the Employee is Actively at Work.

TERMINATION OF COVERAGE

8. Termination or Modification of Coverage by BCBST or the Employer

BCBST or the Employer may modify or terminate the ASA. Notice to the Employer of the termination or modification of the ASA is deemed to be notice to all Members. The Employer is responsible for notifying You of such a termination or modification of Your Coverage.

All Member's Coverage through the Agreement will change or terminate at 12:00 midnight on the date of such modification or termination. The Employer's failure to notify You of the modification or termination of Your Coverage does not continue or extend Your Coverage beyond the date that the ASA is modified or terminated. You have no vested right to Coverage under this Dental EOC following the date of the termination of the ASA.

9. Termination of Coverage Due to Loss of Eligibility

Your Coverage will terminate if You do not continue to meet the eligibility requirements agreed to by the Employer and the administrator during the term of the ASA. Coverage for a Member who has lost his/her eligibility shall automatically terminate at 12:00 midnight on the last day of the month during which that loss of eligibility occurred.

10. Termination of Coverage for Cause

The Plan may terminate Your Coverage for cause, if:

- a. You fail to make a required Member payment when it is due. (The fact that You have made a Payment contribution to the Employer will not prevent the administrator from terminating Your Coverage if the Employer fails to submit the full Payment for Your Coverage to the administrator when due); or
- b. You act in such a disruptive manner as to prevent or adversely affect the ordinary operations of the Plan; or

- c. You fail to cooperate with the Plan as required by this Dental EOC; or
- d. You have made a material misrepresentation or committed fraud against the Plan. This provision includes, but is not limited to, furnishing incorrect or misleading information or permitting the improper use of the membership ID card.

days from the end of their leave before coverage can be reinstated. No pre-existing condition provision or waiting period requirements will apply.

11. Right to Request a Hearing

You may appeal the termination of Your Coverage for cause, as explained in the Grievance Procedure section of this Dental EOC. The fact that You have appealed shall not postpone or prevent the Plan from terminating Your Coverage. If Your Coverage is reinstated as part of the Grievance Procedure, You may submit any claims for services rendered after Your Coverage was terminated to the Plan for consideration in accordance with the Claims Procedure section of this Dental EOC.

12. Payment For Services Rendered After Termination of Coverage

If You receive Covered Services after the termination of Your Coverage, the Plan may recover the Maximum Allowable Charge for such Services from You, plus any costs of recovering such Charges, including its attorneys' fees.

REINSTATEMENT FOR MILITARY PERSONNEL RETURNING FROM ACTIVE SERVICE

An employee who returns to the Employer's active payroll following active military duty may reinstate insurance coverage on the earliest of the following:

- The first day of the month which includes the date on which the military person was discharged from active duty;
- The first of the month following the date of discharge from active duty;
- The date on which the military person returns to the employers active payroll;
- The first of the month following the military persons return to the employer's active payroll.

If coverage is reinstated before the employee returns to the Employer's active payroll, the employee must pay 100 percent of the total premium. In all instances, employees must pay whole month premiums.

Reinstatement of coverage is not automatic. Returning military personnel must reapply within 90

GENERAL PROVISIONS

CLAIMS AND PAYMENT

When You receive Covered Services, either You or the Dentist must submit a claim form to Us. We will review the claim and let You or the Dentist know if We need more information, before We pay or deny the claim. We follow our internal administration procedures when We adjudicate claims.

A. Claims

Due to federal regulations, there are several terms to describe a claim: pre-service claim; post-service claim; and a claim for Urgent Care.

- a. A pre-service claim is any claim that requires approval of a Covered Service in advance of obtaining medical care as a condition of receipt of a Covered Service, in whole or in part.
- b. A post-service claim is a claim for a Covered Service that is not a pre-service claim – the dental care has already been provided to the Member. Only post-service claims can be billed to the Plan, or You.
- c. Urgent Care is dental care or treatment that, if delayed or denied, could seriously jeopardize: (1) the life or health of the Member; or (2) the Member's ability to regain maximum function. Urgent Care is also dental care or treatment that, if delayed or denied, in the opinion of a physician with knowledge of the Member's dental condition, would subject the Member to severe pain that cannot be adequately managed without the dental care or treatment. A claim for denied Urgent Care is always a pre-service claim.

B. Claims Billing

You should not be billed or charged for Covered Services rendered by Network Dentists, except for required Member payments. The Network Dentist will submit the claim directly to Us.

You may be charged or billed by an Out-of-Network Dentist for Covered Services rendered by that Dentist. If You use an Out-of-Network Dentist, You are responsible for the difference between Billed Charges and the Maximum Allowable Charge for a Covered Service.

- a. If You are charged, or receive a bill, You must submit a claim to Us.
- b. To be reimbursed, You must submit the claim within 1 year and 90 days from the

date a Covered Service was received. If You do not submit a claim, within the 1 year and 90 day time period, it will not be paid.

- c. If it is not reasonably possible to submit the claim within the 1 year and 90 day time period, the claim will not be invalidated or reduced. We may require verification of the reason for such delay.

You may request a claim form from Our customer service department. We will send You a claim form within 15 days. You must submit proof of payment acceptable to Us with the claim form. We may also request additional information or documentation if it is reasonably necessary to make a Coverage decision concerning a claim.

A Network Dentist, or an Out-of-Network Dentist may refuse to render, or reduce or terminate a service that has been rendered, or require You to pay for what You believe should be a Covered Service. If this occurs:

- d. You may submit a claim to Us to obtain a Coverage decision (Predetermination of Benefits) concerning whether the Plan will Cover that service.
- e. You may request a claim form from Our customer service department. We will send You a claim form within 15 days. We may request additional information or documentation if it is reasonably necessary to make a Coverage decision concerning a claim.

C. Payment

1. If You received Covered Services from a Network Dentist, the Plan will pay the Network Dentist directly. These payments are made according to the Plan's agreement with that Network Dentist. You authorize assignment of benefits to that Network Dentist.
2. If You received Covered Services from an Out-of-Network Dentist, You must submit, in a timely manner, a completed claim form for Covered Services. If the claim does not require further investigation, We will reimburse You. If You have not paid the Dentist, the Plan may make payment for Covered Services to either the Dentist or to You, at its discretion. The Plan's payment fully discharges its obligation related to that claim.
3. If the ASA is terminated, all claims for Covered Services rendered prior to the termination date, must be submitted to the

Plan within 1 year and 90 days from the date the Covered Services was received.

4. Benefits will be paid according to the Plan within 30 days after we receive a claim form that is complete. Claims are processed in accordance with current industry standards, and based on Our information at the time We receive the claim form. Neither the Plan nor We are responsible for over or under payment of claims if Our information is not complete or inaccurate. We will make reasonable efforts to obtain and verify relevant facts when claim forms are submitted.
5. When a claim is paid or denied, in whole or in part, You will receive an Explanation of Benefits (EOB). This will describe how much was paid to the Provider, and also let You know if You owe an additional amount to that Provider. The administrator will send the EOB to the last address on file for You.

Payment for Covered Services is more fully described in Attachment C: Schedule of Benefits.

D. Assignment

If You assign payment for a claim to a Dentist, We must honor that assignment, in most circumstances. If You have paid the Dentist, and also assigned payment for the claim to the Dentist, You must request repayment from that Dentist.

E. Complete Information

Whenever You need to file a claim Yourself, We can process it for You more efficiently if You complete a claim form. This will ensure that You provide all the information needed. Most Dentists will have claim forms or You can request them from Us by calling Our customer service department at the number listed on the membership ID card.

Mail all claim forms to:

CONTINUATION OF COVERAGE

Federal Law

If the ASA remains in effect, but Your Coverage under this Dental EOC would otherwise terminate, the Employer may offer You the right to continue Coverage. This right is referred to as “COBRA Continuation Coverage” and may occur for a limited time subject to the terms of this Section and the federal Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA.)

a. Eligibility

If You have been Covered by the Plan on the day before a qualifying event, You may be eligible for COBRA Continuation Coverage. The following are qualifying events for such Coverage:

- **Subscribers.** Loss of Coverage because of:
 - The termination of employment except for gross misconduct.
 - A reduction in the number of hours worked by the Subscriber.
- **Covered Dependents.** Loss of Coverage because of:
 - The termination of the Subscriber’s Coverage as explained in subsection (a) above.
 - The death of the Subscriber.
 - Divorce or legal separation from the Subscriber.
 - The Subscriber becomes entitled to Medicare.
 - A Covered Dependent reaches the Limiting Age.

b. Enrolling for COBRA Continuation Coverage

The administrator, acting on behalf of the Employer, shall notify You of Your rights to enroll for COBRA Continuation Coverage after:

- The Subscriber’s termination of employment, reduction in hours worked, death or entitlement to Medicare coverage; or
- The Subscriber or Covered Dependent notifies the Employer, in writing, within 60 days after any other qualifying event set out above.

You have 60 days from the later of the date of the qualifying event or the date that You receive notice of the right to COBRA Continuation Coverage to enroll for such Coverage. The Employer or the administrator will send You the forms that should be used to enroll for COBRA Continuation Coverage. If You do not send the Enrollment Form to the Employer within that 60 day period, You will lose Your right to COBRA Continuation Coverage under this Section. If You are qualified for COBRA Continuation Coverage and receive services that would be Covered Services, before enrolling and submitting the Payment for such Coverage, You will be required to pay for those services. The Plan will reimburse You for Covered Services, less required Member payments, after You enroll and submit the Payment for Coverage, and submit a claim for those Covered Services as set forth in the Claim Procedure section of this Dental EOC.

c. Payment

You must submit any Payment required for COBRA Continuation Coverage to the administrator at the address indicated on Your Payment notice. If You do not enroll when first becoming eligible, the Payment due for the period between the date You first become eligible and the date You enroll for COBRA Continuation Coverage must be paid to the Employer within 45 days after the date You enroll for COBRA Continuation Coverage. After enrolling for COBRA Continuation Coverage, all Payments are due and payable on a monthly basis as required by the Employer. If the Payment is not received by the administrator on or before the due date, Coverage will be terminated, for cause, effective as of the last day for which Payment was received as explained in the Termination of Coverage Section, above. The administrator may use a third party vendor to collect the COBRA Payment.

d. Coverage Provided

If You enroll for COBRA Continuation Coverage You will continue to be Covered under the Plan and this Dental EOC. The COBRA Continuation Coverage is subject to the conditions, limitations and exclusions of this Dental EOC and the Plan. The Plan and the Employer may agree to change the ASA and/or this Dental EOC. The Employer may also decide to change administrators. If this happens after You enroll for COBRA

Continuation Coverage, Your Coverage will be subject to such changes.

e. Duration of Eligibility for COBRA Continuation Coverage

COBRA Continuation Coverage is available for a maximum of:

- 18 months if the loss of Coverage is caused by termination of employment or reduction in hours of employment; or
- 29 months of Coverage. If, as a qualified beneficiary who has elected 18 months of COBRA Continuation Coverage, You are determined to be disabled within the first 60 days of COBRA Continuation Coverage, You can extend Your COBRA Continuation Coverage for an additional 11 months, up to 29 months. It does not matter when the disability began, so long as You are disabled within the first 60 days of COBRA Continuation Coverage. Also, the 29 months of COBRA Continuation Coverage is available to all non-disabled qualified beneficiaries in connection with the same qualifying event. "Disabled" means disabled as determined under Title II or XVI of the Social Security Act. In addition, the disabled qualified beneficiary or any other non-disabled qualified beneficiary affected by the termination of employment qualifying event must.
 - (1) Notify the Employer or the administrator of the disability determination within 60 days after the determination of disability, and before the close of the initial 18-month Coverage period; and
 - (2) Notify the Employer or the administrator within 30 days of the date of a final determination that the qualified beneficiary is no longer disabled; or
- 36 months for other qualifying events. If a Covered Dependent is eligible for 18 months of COBRA Continuation Coverage as described above, and there is a second qualifying event (e.g., divorce), You or Your Covered Dependents may be eligible for 36 months of COBRA Continuation Coverage from the date of the first qualifying event.

f. Termination of COBRA Continuation Coverage

After You have elected COBRA Continuation Coverage, that Coverage will

terminate either at the end of the applicable 18, 29 or 36 month eligibility period or, before the end of that period, upon the date that:

- The Payment for such Coverage is not submitted when due; or
- You become Covered as either a Subscriber or dependent by another group dental care plan, and that coverage is as good as or better than the COBRA Continuation Coverage; or
- The ASA is terminated; or
- You become entitled to Medicare Coverage; or
- The date that You, otherwise eligible for 29 months of COBRA Continuation Coverage, are determined to no longer be disabled for purposes of the COBRA Law.

g. Continued Coverage During a Leave of Absence

Federal law requires that the Employer allow Subscribers to continue their Coverage during a leave of absence. Please check with the human resources department to find out how long Subscribers may take a leave of absence.

Subscribers will also have to meet these criteria to have continuous Coverage during a leave of absence:

- a. The Employer continues to consider the Subscriber an Employee, and all other Employee benefits are continued;
- b. The leave is for a specific period of time established in advance; and
- c. The purpose of the leave is documented.

A Subscriber may apply for COBRA Continuation if the leave lasts longer than allowed by the Employer.

h. The Trade Adjustment Assistance Reform Act of 2002

The Trade Adjustment Assistance Reform Act of 2002 (TAARA) may have added to Your COBRA rights. If You lost Your job because of import competition or shifts of production to other countries, You may have a second COBRA Continuation election period. If You think this may apply to You, check with the Employer or the Department of Labor.

COORDINATION OF BENEFITS

This Dental EOC includes the following Coordination of Benefits (COB) provision, which applies when You or a Covered Dependent has coverage under more than one group dental care "Plan." Rules of this Section determine whether the benefits available under this Dental EOC are determined before or after those of another Plan. In no event, however, will benefits under this Dental EOC be increased because of this provision.

A. DEFINITIONS

The following terms apply to this provision:

1. **"Plan"** means any arrangement which provides benefits or services for, or because of, preventive or restorative dental care or treatment, including prosthetics and orthodontia, through:
 - a. group, blanket, or franchise dental insurance (whether insured or uninsured) other than school accident-type coverage;
 - b. BlueCross Plan, BlueShield dental Plan, group practice, individual practice, or other pre-paid dental insurance;
 - c. coverage under labor management trust dental Plans or employee benefit organization dental Plans;
 - d. coverage under government programs to which an employer contributes or makes payroll deductions;
 - e. coverage under a governmental Plan or coverage required or provided by law. This does not include a state Plan under Medicaid (Title XIX, Grants to States for Medical Assistance Programs, of the United States Social Security Act, as amended from time to time); and
 - f. any other arrangement of dental coverage for individuals in a group that provides coverage for preventive and restorative services such as cleanings, fillings, crowns, bridges, braces, etc.

Each Dental EOC or other arrangement for dental coverage is a separate Plan. Also, if an arrangement has two parts and COB rules apply to only one of the two, each of the parts is a separate Plan.

2. **"This Plan"** refers to the part of the ASA under which benefits for dental care expenses are provided.

The term **"Other Plan"** applies to each arrangement for benefits or services for dental care, as well as any part of such an arrangement that considers the benefits and services for dental care of other contracts when benefits are determined.

3. The order of benefit determination rules states whether This Plan is a **"Primary Plan"** or **"Secondary Plan"** as to another dental plan covering the person.
 - a. When This Plan is a Primary Plan, its benefits are determined before those of the Other Plan and without considering the Other Plan's benefits.
 - b. When This Plan is a Secondary Plan, its benefits are determined after those of the Other Plan and may be reduced because of the Other Plan's benefits.
 - c. When there are more than two Plans covering the person, This Plan may be a Primary Plan as to one or more Other Plans, and may be a Secondary Plan as to a different Plan or Plans.
4. **"Allowable Expense"** means a necessary, reasonable and customary item of expense when the item of expense is covered in whole or in part by one or more Plans covering the Member for whom the claim is made.
 - a. The reasonable cash value of a service is deemed to be both an Allowable Expense and a benefit paid when a Plan provides benefits in the form of services.
 - b. We will determine only the benefits available under This Plan. You or Your Covered Dependent is responsible for supplying Us with information about Other Plans so We can act on this provision.
 - c. When benefits are reduced under a Primary Plan because a covered person does not comply with the Plan provisions, the amount of such reduction will not be considered an Allowable Expense. Examples of such provisions are those related to cost containment and Network Dentist arrangements.
5. **"Claim Determination Period"** means a calendar year. It does not, however, include any part of a year during which a person has no coverage under This Plan or any part of a year prior to the date this COB provision or a similar provision takes effect.

B. ORDER OF BENEFIT DETERMINATION RULES

This Plan determines its order of benefits using the first of the following rules which applies:

1. Non-Dependent/Dependent

The benefits of the Plan which covers the person as an Employee, Member, or Subscriber (that is, other than as a Dependent) are determined before those of the Plan which covers the person as a Dependent, except that:

- a. if the person is also a Medicare beneficiary; and,
- b. if the rule established by the Social Security Act of 1965 as amended makes Medicare secondary to the Plan covering the person as a Dependent of an active Employee,

then the order of benefit determination shall be:

- a. benefits of the Plan of an active Employee covering the person as a Dependent;
- b. Medicare;
- c. benefits of the Plan covering the person as an Employee, Member, or Subscriber.

2. Dependent Child/Parents Not Separated or Divorced

Except as stated in Paragraph 3 below, when This Plan and another Plan cover the same child as a Dependent of different persons, called "parents":

The benefits of the Plan of the parent whose birthday falls earlier in a year are determined before those of the Plan of the parent whose birthday falls later in that year. If both parents have the same birthday, the benefits of the Plan that has covered one parent longer are determined before those of the Plan that has covered the other parent for a shorter period of time.

However, if the Other Plan does not have the rule described in Paragraph 1 immediately above, but instead has a rule based upon the gender of the parent, and if, as a result, the Plans do not agree on the order of benefits, the rule in the Other Plan will determine the order of benefits.

3. Dependent Child/Separated or Divorced Parents

If two or more Plans cover a person as a Dependent child of divorced or separated

parents, benefits for the child are determined in this order:

- a. First, the Plan of the parent with custody of the child;
- b. Then, the Plan of the spouse of the parent with the custody of the child; and
- c. Finally, the Plan of the parent not having custody of the child.

However, if the specific terms of a court decree state that one of the parents is responsible for the health care expense of the child, and the entity obligated to pay or provide the benefits of the Plan of that parent has actual knowledge of those terms, the benefits of that Plan are determined first. The Plan of the other parent shall be the Secondary Plan. This paragraph does not apply with respect to any Claim Determination Period or Plan Year during which any benefits are actually paid or provided before the entity has that actual knowledge.

If the specific terms of a court decree state that the parents shall share joint custody, without stating that one of the parents is responsible for the health care expenses of the child, the Plans covering the child shall follow the order of benefit determination rules outlined in Paragraph 2, under "Dependent Child/Parents Not Separated or Divorced."

4. Active/Inactive Employee

The benefits of a Plan which covers a person as an Employee who is neither laid off nor retired are determined before those of a Plan which covers that person as a laid off or retired Employee. The same would hold true if a person is a Dependent of a person covered as a retiree and an Employee. If the Other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this Rule is ignored.

5. Continuation Coverage

If a person whose coverage is provided under a right of continuation pursuant to Federal or State law also is covered under another Plan, the following shall be the order of benefit determination:

- a. First, the benefits of a Plan covering the person as an Employee, Member, or Subscriber (or as that person's Dependent);
- b. Second, the benefits under the continuation coverage.

If the Other Plan does not have the Rule described above, and if, as a result, the Plans do not agree on the order of benefits, this Rule is ignored.

6. Longer/Shorter Length of Coverage

If none of the above Rules determines the order of benefits, the benefits of the Plan which has covered an Employee, Member or Subscriber longer are determined before those of the Plan which has covered that person for the shorter term.

- a. To determine the length of time a person has been covered under a Plan, two Plans shall be treated as one if the claimant was eligible under the second within 24 hours after the first ended.
- b. The start of the new Plan does not include:
 - A change in the amount or scope of a Plan's benefits;
 - A change in the entity which pays, provides, or administers the Plan's benefits; or
 - A change from one type of Plan to another (such as, from a single Employer Plan to that of a multiple Employer plan.)
- c. The claimant's length of time covered under a Plan is measured from the claimant's first date of coverage under that Plan. If that date is not readily available, the date the claimant first became a Member of the group shall be used as the date from which to determine the length of time the claimant's coverage under the present Plan has been in force.

If the Other Plan does not contain provisions establishing the Order of Benefit Determination Rules, the benefits of the Other Plan will be determined first.

7. Plans with Excess and Other Non-conforming COB Provisions

Some Plans declare their coverage "in excess" to all Other Plans, "always Secondary," or otherwise not governed by COB rules. These Plans are called "**Non-Complying Plans.**"

Rules. This Plan coordinates its benefits with a Non-Complying Plan as follows:

- a. If This Plan is the Primary Plan, it will provide its benefits on a primary basis.

- b. If This Plan is the Secondary Plan, it will provide benefits first, but the amount of benefits and liability of This Plan will be limited to the benefits of a Secondary Plan.
- c. If the Non-Complying Plan does not provide information needed to determine This Plan's benefits within a reasonable time after it is requested, This Plan will assume that the benefits of the Non-Complying Plan are the same as the benefits of This Plan and provide benefits accordingly.
- d. If the Non-Complying Plan reduces its benefits so that benefits received by the Member are less than those he or she would have received if the Non-Complying Plan provided its benefits as the Primary Plan and This Plan provided its benefits as the Secondary Plan, then This Plan may advance the difference to or on behalf of the Member. The benefits advanced shall not exceed the benefits This Plan would have provided if it had been the Primary Plan, less any benefits already provided as the Secondary Plan. In consideration of such advance, This Plan shall be subrogated to all rights of the Member against the Non-Complying Plan. Such advance shall also be without prejudice to any independent claims This Plan may have against the Non-Complying Plan in the absence of such subrogation.

C. EFFECT ON BENEFITS OF THIS PLAN

This provision applies where there is a basis for a claim under This Plan and the Other Plan and when benefits of This Plan are determined after the Other Plan(s).

Benefits of This Plan will be reduced when the sum of:

1. the benefits that would be payable for the Allowable Expenses under This Plan, in the absence of this COB provision; and
2. the benefits that would be payable for the Allowable Expenses under the Other Plan(s), in the absence of provisions with a purpose similar to that of this COB provision, whether or not a claim for benefits is made;

exceeds Allowable Expenses in a Claim Determination Period. In that case, the benefits of This Plan will be reduced so that they and the benefits payable under the Other Plan(s) do not total more than Allowable Expenses.

When the benefits of This Plan are reduced as described above, each benefit is reduced proportionately and is then charged against any applicable benefit limit of This Plan.

The administrator will not, however, consider the benefits of the Other Plan(s) in determining benefits under This Plan when:

1. the Other Plan has a rule coordinating its benefits with those of This Plan and such rule states that benefits of the Other Plan will be determined after those of This Plan; and
2. the order of benefit determination rules requires Us to determine benefits before those of the Other Plan.

D. RIGHT TO RECEIVE AND RELEASE INFORMATION

Certain facts are needed to apply these COB rules. We have the right to decide which facts We need. We may get needed facts from, or give them to, any other organization or person. We will not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give Us any facts We need to pay the claim.

E. FACILITY OF PAYMENT

A payment under Another Plan may include an amount that should have been paid under This Plan. If it does, We may pay that amount to the organization that made that payment. That amount would then be treated as if it were a benefit paid under This Plan. We will not have to pay that amount again. The term "Payment Made" includes providing benefits in the form of services. In that case, "Payment Made" means reasonable cash value of the benefits provided in the form of services.

F. RIGHT OF RECOVERY

If the amount of the payments made by the Plan is more than it should have paid under this COB provision, it may recover the excess from one or more of:

- (1) The persons it has paid or for whom it has paid;
- (2) Insurance companies; or
- (3) Other organizations.

The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

SUBROGATION AND RIGHT OF REIMBURSEMENT

A. Subrogation Rights

The Plan assumes and is subrogated to Your legal rights to recover any payments the Plan makes for Covered Services, when Your illness or injury resulted from the action or fault of a third party. The Plan's subrogation rights include the right to recover the reasonable value of prepaid services rendered by Network Providers.

The Plan has the right to recover any and all amounts equal to the Plan's payments from:

- the insurance of the injured party;
- the person, company (or combination thereof) that caused the illness or injury, or their insurance company; or
- any other source, including uninsured motorist coverage, medical payment coverage, or similar medical reimbursement policies.

This right of recovery under this provision will apply whether recovery was obtained by suit, settlement, mediation, arbitration, or otherwise. The Plan's recovery will not be reduced by Your negligence, nor by attorney fees and costs You incur.

B. Priority Right of Reimbursement

Separate and apart from the Plan's right of subrogation, the Plan shall have first lien and right to reimbursement. The Plan's first lien supercedes any right that You may have to be "made whole". In other words, the Plan is entitled to the right of first reimbursement out of any recovery You might procure regardless of whether You have received compensation for any of Your damages or expenses, including Your attorneys' fees or costs. This priority right of reimbursement supersedes Your right to be made whole from any recovery, whether full or partial. In addition, You agree to do nothing to prejudice or oppose the Plan's right to subrogation and reimbursement and You acknowledge that the Plan precludes operation of the "made-whole", "attorney-fund", and "common-fund" doctrines. You agree to reimburse the Plan 100% first for any and all benefits provided through the Plan, and for any costs of recovering such amounts from those

third parties from any and all amounts recovered through:

- Any settlement, mediation, arbitration, judgment, suit, or otherwise, or settlement from Your own insurance and/or from the third party (or their insurance);
- Any auto or recreational vehicle insurance coverage or benefits including, but not limited to, uninsured motorist coverage;
- Business and homeowner medical liability insurance coverage or payments.

The Plan may notify those parties of its lien and right to reimbursement without notice to or consent from those Members.

This priority right of reimbursement applies regardless of whether such payments are designated as payment for (but not limited to) pain and suffering, medical benefits, and/or other specified damages. It also applies regardless of whether the Member is a minor.

This priority right of reimbursement will not be reduced by attorney fees and costs You incur.

The Plan may enforce its rights of subrogation and recovery against, without limitation, any tortfeasors, other responsible third parties or against available insurance coverages, including underinsured or uninsured motorist coverages. Such actions may be based in tort, contract or other cause of action to the fullest extent permitted by law.

Notice and Cooperation

Members are required to notify the administrator promptly if they are involved in an incident that gives rise to such subrogation rights and/or priority right of reimbursement, to enable the administrator to protect the Plan's rights under this section. Members are also required to cooperate with the administrator and to execute any documents that the administrator, acting on behalf of the Employer, deems necessary to protect the Plan's rights under this section.

The Member shall not do anything to hinder, delay, impede or jeopardize the Plan's subrogation rights and/or priority right of reimbursement. Failure to cooperate or to comply with this provision shall entitle the Plan to withhold any and all benefits due the Member under the Plan. This is in addition to any and all other rights that the Plan has pursuant to the

provisions of the Plan's subrogation rights and/or priority right of reimbursement.

If the Plan has to file suit, or otherwise litigate to enforce its priority right of reimbursement, You are responsible for paying any and all costs, including attorneys' fees, the Plan incurs in addition to the amounts recovered through the priority right of reimbursement.

Legal Action and Costs

If a Member settles any claim or action against any third party, that Member shall be deemed to have been made whole by the settlement and the Plan shall be entitled to collect the present value of its rights as the first priority claim from the settlement fund immediately. The Member shall hold any such proceeds of settlement or judgment in trust for the benefit of the Plan. The Plan shall also be entitled to recover reasonable attorneys' fees incurred in collecting proceeds held by the Member in such circumstances.

Additionally, the Plan has the right to sue on the Member's behalf, against any person or entity considered responsible for any condition resulting in medical expenses, to recover benefits paid or to be paid by the Plan.

Settlement or Other Compromise

The Member must notify the administrator prior to settlement, resolution, court approval, or anything that may hinder, delay, impede or jeopardize the Plan's rights so that the Plan may be present and protect its subrogation rights and/or priority right of reimbursement.

The Plan's subrogation rights and priority right of reimbursement attach to any funds held, and do not create personal liability against the Member.

The right of subrogation and the right of reimbursement are based on the Plan language in effect at the time of judgment, payment or settlement.

The Plan, or its representative, may enforce the subrogation and priority right of reimbursement.

GRIEVANCE PROCEDURE

I. INTRODUCTION

Our Grievance procedure (the “Procedure”) is intended to provide a fair, quick and inexpensive method of resolving any and all Disputes with the Plan. Such Disputes include: any matters that cause You to be dissatisfied with any aspect of Your relationship with the Plan; any Adverse Benefit Determination concerning a Claim; or any other claim, controversy, or potential cause of action You may have against the Plan. Please contact the customer service department, at the number listed on the membership ID card: (1) to file a Claim; (2) if You have any questions about this Dental EOC or other documents that You receive from Us (e.g. an explanation of benefits); or (3) to initiate a Grievance concerning a Dispute.

1. This Procedure is the exclusive method of resolving any Dispute. Exemplary or punitive damages are not available in any Grievance, arbitration, or litigation action, pursuant to the terms of the ASA and this Dental EOC. Any decision to award damages must be based upon the terms of the ASA and this Dental EOC.
2. The Procedure can only resolve Disputes that are subject to Our control.
3. You cannot use this Procedure to resolve a claim that a Dentist was negligent. Network Dentists are independent contractors. They are solely responsible for making treatment decisions in consultation with their patients. You may contact the Plan, however, to complain about any matter related to the quality or availability of services, or any other aspect of Your relationship with Dentists.
4. This Procedure incorporates the definitions of: (1) Adverse Benefit Determination; (2) urgent care; and (3) pre-service and post-service claims (“Claims”), which are in the *Employee Retirement Income Security Act of 1974 (“ERISA”); Rules and Regulations for Administration and Enforcement; Claims Procedure* (the “Claims Regulation”).

An Adverse Benefit Determination is any denial, reduction, termination or failure to provide or make payment for what You believe should be a Covered Service.

- a. If a Dentist does not render, or reduces or terminates a service that has been rendered, or requires You to pay for what You believe should be a Covered Service, You may submit a Claim to the Plan to obtain a determination concerning whether the Plan will cover that service.
 - b. Dentists may also appeal an Adverse Benefit Determination through the Plan's Provider dispute resolution procedure.
 - c. A Plan determination will not be an Adverse Benefit Determination if: (1) a Dentist is required to hold You harmless for the cost of services rendered; or (2) until the Plan has rendered a final Adverse Benefit Determination in a matter being appealed through the Provider dispute resolution procedure.
5. You may request a form from the Plan to authorize another person to act on Your behalf concerning a Dispute.
 6. The Plan and You may agree to skip one or more of the steps of this Procedure if it will not help to resolve Our Dispute.
 7. Any Dispute will be resolved in accordance with applicable Tennessee or Federal laws and regulations, the ASA and this Dental EOC.

II. DESCRIPTION OF THE REVIEW PROCEDURES

A. Inquiry

An Inquiry is an informal process that may answer questions or resolve a potential Dispute. You should contact a customer service representative if You have any questions about how to file a Claim or to attempt to resolve any Dispute. Making an Inquiry does not stop the time period for filing a Claim or beginning a Dispute. You do not have to make an Inquiry before filing a Grievance.

B. Grievance

You must submit a written request asking the Plan to reconsider an Adverse Benefit Determination, or take a requested action to resolve another type of Dispute (Your "Grievance"). You must begin the Dispute process within 180 days from the date We issue notice of an Adverse Benefit Determination from the Plan or from the date of the event that is otherwise causing You to be dissatisfied with the Plan. If You do not

initiate a Grievance within 180 days of when We issue an Adverse Benefit Determination, You may give up the right to take any action related to that Dispute.

Contact the customer service department at the number listed on Your membership ID card for assistance in preparing and submitting Your Grievance. They can provide You with the appropriate form to use in submitting a Grievance. This is the first level Grievance procedure. The Plan will assign a Grievance coordinator to assist You throughout the Grievance process. That Grievance coordinator will not make determinations concerning Your Dispute.

1. Grievance Hearing

After the Plan has received and reviewed Your Grievance, Our first level Grievance committee will meet to consider Your Grievance and any additional information that You or others submit concerning that Grievance. In Grievances concerning urgent care or pre-service Claims, the Plan will appoint one or more qualified reviewer(s) to consider such Grievances. Individuals involved in making prior determinations concerning Your Dispute are not eligible to be voting members of the first level Grievance committee or reviewers. The Committee or reviewers have full discretionary authority to make eligibility, benefit and/or claim determinations, pursuant to the ASA. Such determinations shall be subject to the review standards applicable to ERISA plans, even if the ASA is not otherwise governed by ERISA.

2. Written Decision

The committee or reviewers will consider the information presented, and the chairperson will send You a written decision concerning Your Grievance as follows:

- a. For a pre-service claim, within 30 days of receipt of Your request for review;
- b. For a post-service claim, within 60 days of receipt of Your request for review; and
- c. For a pre-service, urgent care claim, within 72 hours of receipt of Your request for review.

The decision of the Committee will be sent to You in writing and will contain:

- a. A statement of the committee's understanding of Your Grievance;
- b. The basis of the committee's decision; and
- c. Reference to the documentation or information upon which the committee based its decision. The Plan will send You a copy of such documentation or information, without charge, upon written request.

If more than one procedure or course of treatment:

- can be used to accomplish the same treatment goal; and
- meets generally accepted standards of professional dental care; and
- offers a favorable prognosis for the patient's condition;

benefits may be based on the lowest cost procedure or treatment. This will be at Our sole discretion.

If a Member transfers from the care of one Dentist to another during the course of treatment, or if more than one Dentist renders services for one dental procedure, benefits will not exceed those which would have been provided had one Dentist rendered the service.

Special Provision for Services Covered Under a Health Benefit Plan

Your dental Plan will also Cover certain services that are Covered under Your health benefit Plan. These are:

- removal or exposure of impacted teeth;
- removal of oral cysts or tumors; and
- other oral surgical procedures.

If You receive benefits under Your medical benefit plan for these services, send a copy of Your explanation of benefits (EOB) to dental claims. The dental claims area will then process this as a dental claim, which will reduce Your out-of-pocket expenses. Your provider will receive up to 100% of the medical Maximum Allowable Charge for the service.

- BCBST reserves the right to review the Member's dental records, including necessary x-rays, photographs, and models, to determine whether orthodontic needs and treatment are covered.
- For the purpose of determining benefits when a Member's Coverage under this Dental EOC is terminated or canceled, all orthodontic services shall be deemed to have been rendered on the date performed. Benefits will cease at the end of the month in which the Member's Coverage terminates, even if an approved orthodontic treatment has not been completed.
- For orthodontic services rendered by a Dentist, benefits will be provided as specified in the Schedule of Benefits (Billed Charges or Maximum Allowable Charge, whichever is less).

ATTACHMENT B: EXCLUSIONS FROM COVERAGE

Your Coverage does not provide benefits for the following services, supplies or charges:

1. Dental services received from a dental or medical department maintained by or on behalf of an Employer, mutual benefit association, labor union, trustee or similar person or group.
2. Dental services which are free or for which You are not required or legally obligated to pay, or for which no charge would be made if You had no dental Coverage.
3. Services or supplies for the treatment of work related illness or injury, regardless of the presence or absence of workers' compensation coverage. This exclusion does not apply to illness or injury resulting from self-employment by a sole proprietor or partner of the Employer who has elected not to be covered by the workers' compensation law.
