

**CLARKSVILLE-MONTGOMERY COUNTY SCHOOL SYSTEM
CLARKSVILLE, TENNESSEE
JOB DESCRIPTION**

Job Title: Master Plumber

Department: Maintenance

**Grade I
H.P.D. 8
D.P.Y. 260**

Job Description

Date Reviewed: July 2008

Reports To: General Foreman

Purpose of Job

The purpose of this job is to maintain, repair and install new plumbing/water and sewer systems for the school system. Duties include, but are not limited to: unstopping clogs, repairing lines, installing sprinkler systems, providing preventative maintenance and performing additional tasks as assigned by the General Foreman.

Essential Duties and Responsibilities

The following duties are normal for this job. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

Assembles, installs and repairs pipes, fittings and fixtures of all water and sewer systems, including those below the level of building, according to specification and plumbing codes. Installs valves, pipe insulation, air chambers and other devices as needed. Assist HVAC personnel in repair and installation of heating/cooling water system piping when needed. Assist other work centers as needed.

Installs and repairs plumbing fixtures, such as sinks, commodes, bathtubs, water heaters, hot water tanks, garbage disposal units, dishwashers, and water softeners. Repairs and installs pumps as needed. Must have knowledge of proper pipe sizing to ensure proper water pressure.

Reviews all work requests to ensure work is being completed in timely manner and inform foreman of possible delays. Determines materials needed for project and ensure documentation such as invoices and work orders are properly maintained.

Repairs and maintains plumbing, by replacing washers in leaky faucets, mending burst pipes and opening clogged drains; may weld holding fixtures to structural members; maintains all grease traps.

Installs sprinkler systems; replaces sprinklers; installs and maintains water lines and sprinklers on ball fields. Inspects and maintains backflow prevention devices. Test and maintains fire sprinkler systems to include pumps.

Utilizes various tools in the deliver of service including jackhammer, hammer drill, roto-rooter, tap and die and cement saw. Provides preventative maintenance on tools, machinery and property ensuring readiness and the achievement of safety standards.

Additional Job Functions

Performs other duties as required.

Minimum Training and Experience Required to Perform Essential Job Functions

High School Diploma (or GED) and Vocational or technical school training required, with five to seven years of plumbing experience, preferably within a local government (or related); or any equivalent combination of education, training, and experience which provides the requisite knowledge, skills, and abilities for this job. Valid Tennessee driver's license required and Plumbers license desired.

KNOWLEDGE OF JOB

Has considerable knowledge of the policies, procedures, and activities of the School System and plumbing practices as they pertain to the performance of duties relating to the job of Master Plumber. Has considerable knowledge of plumbing practices as necessary in the completion of daily responsibilities. Knows how to develop and administer operations and staff plans and objectives for the expedience and effectiveness of specific duties of the department. Knows how to keep abreast of any changes in policy, methods, computer operations, equipment needs, etc. as they pertain to departmental operations and activities Is able to effectively communicate and interact with supervisors, members of the general public and all other groups involved in the activities of the department. Is able to assemble information and make written reports and documents in a concise, clear and effective manner. Has good organizational, human relations, and technical skills. Is able to use independent judgment and work with little direct supervision when necessary. Has the ability to comprehend, interpret, and apply regulations, procedures, and related information. Has comprehensive knowledge of the terminology, principles, and methods utilized within the department. Has the mathematical ability to handle required calculations.

**(ADA) MINIMUM QUALIFICATIONS OR STANDARDS REQUIRED
TO PERFORM ESSENTIAL JOB FUNCTIONS**
