

## Community Graduation Project

**Please check eight of the following 16 possible opportunities for your establishment's commitment to 100% graduation.**

- Add information about parent teacher conferences, progress reports, report cards and other student pertinent info to newsletters and bulletins
- Host/coordinate opportunities to talk about graduation rates
- Offer GED classes to employees who did not complete high school
- Allow flexible work schedules for students
- Provide work study areas and materials for students in the workplace
- Reward academic progress and attendance
- Allow/encourage employees to become tutors and/or mentors
- Visit the schools three times a year
- Provide an area in the workplace where school info can be disseminated
- Use your influence and voice with employees to encourage high school graduation
- Encourage and allow students' success stories (testimonials) to be shared
- Post "100% Graduation is Clarksville's Business" signs in workplace
- Purchase billboard supporting graduation
- Employers can pass out tassels at freshmen orientations
- Become a school partner in education
- Post upcoming school events on business marquee and/or other communications

I \_\_\_\_\_, of \_\_\_\_\_ commit to the opportunities to improve graduation that were checked above.
