

Authorized Student Expenditures*
High School (9-12)
2017-2018

In compliance with Section 49-2-110 Tennessee Code Annotated, the Clarksville-Montgomery County Board of Education has authorized the collection of funds by the high schools to be expended for instructional materials and personal student supplies beyond those provided in the budget.

The approved items and the amount necessary to provide them are listed below. The teacher has indicated those that are considered necessary for full participation in the instructional program. However, payment of fees is not mandatory. Parents may purchase these items from any available source.
