Upon the principal's recommendation of a teacher, the HR office notifies such person of the recommendation and corresponding HR approval. During orientation employee will receive in writing the offer of employment. Upon receipt of such employment offer, such person has fourteen (14) days within which to accept or reject, in writing, the offered employment. ### **Determination of Prior Service Credit - Professional Personnel**

After the selection of teachers, as provided under TCA, 49-5-402(a), the CMCSS establishes the salary rating of each person employed as teacher or principal, and also the director and other school personnel employed on a system-wide basis in the public schools, using for this purpose the established training and experience of such school personnel and the respective state and local salary schedule for the school year, including any applicable diversified pay plan, as prescribed by the State Board of Education and approved by the Commissioner of Education.

1. Credit for prior experience must be verified and approved before June 1 of the school year in which a teacher is employed. Experience credit for salary cannot be retroactive to a previous fiscal year.
2. Each teacher employed by the CMCSS submits verification of prior experience to the Human Resources Office on forms approved by the Tennessee State Department of Education.
3. Experiences receiving consideration for salary rating purposes are:
  - a. Those recognized by the Tennessee State Department of Education for licensure advancement.
