

Extended Contract Program Student Evaluation Data

One Student Evaluation Data form is to be completed for each student tutored. Students in this program must be tutored in state mandated assessed areas. The assessment for the student must be reported objectively by such measures as grades attained, reading levels achieved, ACT scores improved and the like. Both entry-level performance in the tutoring program and exit level performance must be reported.

Student: _____ **School:** _____

Teacher: _____ **Year:** _____

Grade: _____ **Sex:** _____ **Race:** _____

Student attendance in the tutoring program: # of days _____
or

of hours _____.

State Assessed area for tutoring (i.e. Gateway math, ACT, Writing Assessment, etc.): _____

Name the objective indicator of progress _____ **(grades, ACT scores, etc.)**

Student's entrance level _____ **Student's exit level** _____

Summarize the student's achievement over the course of the tutoring program. (Example: This student entered tutoring with mastery of three of the eleven standards necessary to pass Gateway Algebra. He exited tutoring with mastery of nine of the eleven standards.)
