PROGRESSIVE DISCIPLINE

It is the policy of the Clarksville-Montgomery County School System to assist staff in every way possible in adjusting to their positions so that they are able to perform their duties in a satisfactory manner. We are committed to ensuring fair treatment of all employees and making certain that disciplinary actions are prompt, uniform, and impartial. The major purpose of any disciplinary action is to correct the problem, prevent recurrence, and prepare the employee for satisfactory service in the future. However, CMCSS does recognize that occasions do occur that are serious enough to justify either a suspension, or termination of employment, without going through the progressive discipline steps.

All employees are expected to comply with CMCSS standards of behavior and performance. Any noncompliance with these standards must be corrected. While it is impossible to list every type of behavior that may be deemed a serious offense, CMCSS hopes that most employee problems can be corrected at an early stage, benefiting both the employee and CMCSS.

Disciplinary action may call for any of five steps; verbal warning, letter of concern, letter of reprimand, suspension with or without pay, and termination of employment. Progressive discipline steps do not have to be initiated for each type of performance or conduct issue. CMCSS retains the right to move immediately to suspension or termination. This policy does not modify the status of employees as employees-at-will.

A supervisor may recommend immediate suspension or termination of the employee to the Human Resources Department. An investigation of the incident(s) leading up to the suspension and/or termination recommendation will be conducted to determine what further action, if any, should be taken.

It is the policy of the Clarksville-Montgomery County School System that the Director of Schools has and shall retain sole and complete discretion in employing and terminating the employment of employees holding positions for which no teaching license is required. Such individuals are employed by the Board of Education at-will and their employment may be terminated by the Director of Schools.
