SCHOOL YEAR PREPARATION DAY STIPEND

It is the policy of the Clarksville-Montgomery County School System to allow certified employees on a 200-day calendar to work one six-hour day, or two three-hour days, in their respective building during select non-calendar days to prepare for the start of school and be paid a stipend for that day. Certified employees are eligible for the school-year preparation day and corresponding stipend regardless of position or percentage of contract.

The Director of Schools or designee will determine specific school-year preparation days prior to the start of the school year. Certified employees who complete the school-year preparation day will receive a stipend in the amount pre-approved by the Chief Human Resources Officer.

Eligible employees must comply with the provisions of [CER-P005](#), School-year Preparation Day Procedure. Principals will verify completion and provide information for stipend payment to the Payroll Department, per [CER-P005](#) the School-year Preparation Day Procedure.
