

School Technology Library Card

This school technology card is an electronic-access only card for the Clarksville-Montgomery County Public Library. This card allows students to access library services including R.E.A.D.S., Freegal, Mango, Universal Class, Tennessee Electronic Library (TEL), Tumblebooks and more. If you would like to change the electronic access-only card to a library card with full borrowing privileges in the future, simply visit the library in person with the card. Staff will walk you through additional steps to process the request.

You can find the links to these services by visiting the Clarksville-Montgomery County Public Library's homepage and clicking on the E-Resource tab: <https://mcgtn.org/library>

R.E.A.D.S

With R.E.A.D.S. (Regional Ebook and Audiobook Download System), you can access thousands of best-selling and classic ebooks and audiobooks that are now compatible with Apple products, Kindle, Nook, Android devices, iPod nano®, as well as the Zune® and thousands of other MP3 players and e-readers. This easy to use services available 24/7. Log in with your library card number and your 4-digit pin by clicking "Account" in the upper right hand corner of the library's digital collection:

Mango Languages

Mango Languages is a great new resource offered at your library. Used by such entities as the Department of Homeland Security and the Pentagon, Mango Languages features lessons for learning new languages. Over sixty languages are available, and Mango Languages also has a special section on learning English in 15 different languages.

TEL and Databases

The Tennessee Electronic Library (TEL) is a virtual library that you can access from your home pc, your school library computer lab, or your iPhone – anywhere with an internet connection. TEL provides access to over 400,000 electronic resources, including magazines, scholarly journals, podcasts, videos, e-books, test preparation materials, federal census records, Tennessee primary source materials, and more!

TumbleBooks

TumbleBookLibrary is an online collection of TumbleBooks – animated, talking picture books which teach kids the joy of reading in a format they'll love. TumbleBooks are created by adding animation, sound, music and narration to existing picture books in order to produce an electronic picture book which you can read, or have read to you. There is also a collection of puzzles and games that accompany the books to reinforce concepts.

Freegal

Freegal is a downloadable music service available to all library card holders in good standing. Patrons may download up to five songs per week from the site. There is no charge for this service. You do not have to return downloaded songs and videos- they are yours to keep.

Universal Class

Learn something new! Universal class offers over 500 online non-credit Continuing Education Courses. Classes range from computer basics, Adobe program training, general education (math studies, basic writing skills, sciences, etc.), and more.
