CALENDAR
CLARKSVILLE-MONTGOMERY COUNTY SCHOOL SYSTEM
LETTER FROM THE DIRECTOR

Dear CMCSS Community,

Receiving this calendar in the mail is a sign that we are about to launch a new school year. It might surprise some to know that almost one third of the students who start their school year with us, won’t finish in the same school. That percentage is known as our “mobility rate.” This system excels in its ability to offer students great transitional experiences, especially as we continue to see more students arrive here each day. Last school year, about 650 new students joined the membership role, and we are predicting about the same for this school year. As we continue to grow, I see us not just getting bigger, but getting better with great opportunities for all.

In CMCSS, we are continuing to work innovatively to underscore the “better” for our students. In implementing a new Opportunity Culture approach, we want to reach all students with excellent teaching, and all educators with outstanding career opportunities. Beginning my third year to lead the Clarksville-Montgomery County School System, I am thrilled to see so many opportunities in motion. Please check out what is happening with our Opportunity Culture by going to www.cmcss.net/opportunity

As you turn the pages of this calendar, the faces you see are those of our newest students. Each one unique and representative of our community, and each one deserving of the opportunity to succeed. So, whether you are new to the community, have lived here all your life, or something in between, I want to wish success for each of you for the school year of 2019-20.

Now, let’s get started!

With great honor,

Millard L. House II
Director of Schools

## ASSESSMENTS AND TESTING

Since many things can impact testing throughout the year from weather to unforeseen circumstances, current CMCSS assessment information and state/national testing dates can be located at the following link: www.cmcss.net/students/testing

## ENVIRONMENTALLY SAFE SCHOOLS

In compliance with the U.S. Environmental Protection Agency (EPA) Asbestos Hazard Emergency Response Act (AHERA), public notification of the School System’s status for asbestos containing building material (ACBM) is required. Since the completion of the original abatement work in 1987, no other ACBM has been discovered. To prevent the remaining asbestos from being disturbed, the school system maintains an EPA required Asbestos Management Plan and Asbestos Operations and Maintenance (OM&M) Plan. An accredited AHERA inspector conducts inspections every six months, and required annual reports are submitted to the Tennessee Department of Education.

Refer any questions related to asbestos management to the Safety and Health Department at (931) 920-7836. Additionally, pesticides are used in the schools and on the grounds by a licensed, certified professional.

## ATTENDANCE

The Compulsory School Attendance Law in Tennessee (TCA 49-6-3007) states that a student who has been absent five days (this means an aggregate of five days during the school year and not necessarily five consecutive days) without adequate excuse is considered “truant.” Due to changes in the TN Compulsory School Attendance Law, students who accumulate 5 days of unexcused absences and their parent/legal guardian will be required to have a conference with school officials and may be referred to Juvenile Court.

The following are official or adequate excuses that should be turned in to the Attendance Secretary in the school office:

- Parent note (up to five days excused for student illness)
- Medical note (doctor, dentist, hospital, therapist) for which the student was the patient.
- Court note for which the student was required to be in court
- Funeral notice (obituary/funeral program of a family member)
- Military deployment paperwork for military dependents
- TN Law (TCA 49-6-3019) allows the following for out of country deployments 12 months or longer: 1 excused absence when the parent leaves for deployment; 1 excused absence when the parent returns at the end of deployment; up to 10 days excused absences when the parent is home from the deployment for “rest and recuperation.”
- Local policy also allows up to five consecutive days of excused absences when the parent deployment is less than 12 months.

Military paperwork/documentation must be provided to the school for these to be excused. *Please note: Out-of-school suspensions count as unexcused absences. Our vision is to help every student earn a high school diploma and be college and career ready. Please work with us by having your child in school every day and providing the above described notes if your child has to be absent.

## STUDENT DRESS CODE

CMCSS has a dress code policy that is explained in the Student Code of Conduct that can be found at www.cmcss.net.
CMCSS continues to address the need for emotional and social supports for students. The goals of focusing on this priority center around helping students acquire and apply the skills and attitudes necessary to:

• Understand and manage emotions
• Set and achieve positive goals
• Feel and show empathy for others
• Establish and maintain positive relationships
• Make responsible decisions

Several community and state agencies have been identified to assist parents and families looking for help with students who are struggling with stress, anxiety, worry or depression.

www.kidcentraltn.com | a comprehensive directory of state-operated and state-funded services for children and families

Mental Health Cooperative | connects families with services to support school consultation, behavior management, juvenile court assistance, alcohol and drug treatment as needed, transportation assistance, eligibility benefits and financial supports. For general information, call 615-726-3340.

In the 2019-20 budget, presented to the Montgomery County Commission, CMCSS included the following areas upon which resources are focused: teaching positions to address enrollment growth, positions to strengthen early-learning instruction, and professional development for our teachers. Also, included in this budget is a one percent predominantly state-funded pay policy and steps for eligible staff that will help the district’s efforts to recruit and retain quality staff. The budget also includes funds to initiate volleyball and cross country programs at the middle school level.

This community has high standards for its students’ education. The budget reflects the needs of students as the schools educate them to graduate college and career ready. Many programs and supports for our students have been initiated over the last few years, and they are proving to be successful as evidenced in our students’ achievements. Many of these programs have been and continue to be funded with grants. CMCSS will continue to seek these types of funds, but they are limited and more competitive than ever before.

The School Board and County Commission are fiscally responsible to the taxpayers. Together, they affect the most precious resource in the community – its children. Working together, the commitment is to prepare students for success. That translates into an enhanced quality of life for its citizens as well as the economic success of this community.

### BUDGET FOCUS

- Local revenue: 28.8%
- State revenue: 52.5%
- Federal revenue: 9.7%
- Fund balance: 3.8%
- Indirect source: 5.2%

77.6% of the CMCSS budget funds are directed to salaries and benefits.
