

## **BUS STOP SAFETY GUIDELINES**

- Students must arrive to the bus stop 5 minutes prior to pick-up time (this will keep you from missing the bus and keep you from chasing the bus).
- Stand 10 feet away from the road.
- Stand in a clear area (where the driver can visibly see you) away from moving vehicles.
- Never approach the bus, until the driver gives a clear signal to approach the bus. If crossing the road, wait for the Bus Drivers unmistakably clear signal to cross the road.
- When exiting the bus, use the handrail and move 10 feet away from the bus out of the danger zone immediately.
- Never stand before the bus comes to a complete stop.
- The Bus is an extension of the classroom and the bus stop is an extension of the bus. Use classroom like conduct when waiting for the bus and when riding the bus.
- A Safe Ride is for everyone.
